Commented [1]: make our's 30 mins so we have more time for Nepal 101

Commented [2]: move to after Nepal 101

Commented [3]: move to after Nepal 101

Commented [6]: After tea, me and Tom on Planetary Health, then lunch. This is too early for lunch....

Commented [7]: I thought about it, i think the tea break came a bit early. I have made some changes in the flow of the schedule. Looks a bit different now. let me know if it works.

2:00 PM	Group Activity	45 mins	Photojournalism activity
3:00 PM ~	Heritage walk — Anil Chitrakar	2 hr	Culture, conservation, social change & development, governance; linking heritage to environment and climate
5:00 PM	Rest, Freshen up	1 hr	
Evening (around 6 pm)	Dinner and interaction	Open-end	Optional: Alumni get-together

Commented [10]: this is just an idea to make the participants accustomed to the practical application of Photojournalism after the session. The participants will write a caption about the person they have been paired with, take portraits of them and present. Can be posted in dukeplanetlab (optional)

Commented [11]: Put rest time in schedule after Anil Chitrakar. Schedule a dinner time, please

Commented [12]: YES!

Where is dinner? Can we have the Alums come to dinner?

Commented [13]: Yes of course!
