

21 MAY (7th Jestha,THU) : Travel to Marpha

Time	Session	Details
Morning	Have breakfast at 6:30 and depart and travel to Marpha	Road journey to Marpha following Kaligandaki river via world's deepest gorge
En route	Observe municipal flood/settlement protection measures	Discussion on environmental issues and municipal response along the route
Midday	Lunch at Tatopani	"dal bhat power 24 hour"
Late afternoon	Arrive Marpha	Check-in, settle in
Evening	Relax and chill	Explore the stone paved traditional city, monastery and Apple-selfie hill
After dinner	Pre-trek orientation session	Briefing on upcoming activities and routes · Altitude Mountain sickness(AMS) awareness talk · Packing list review · Sanitation and hygiene talk- Raju and Prem

Commented [1]: Add lunch stop in Tatopani? Or somewhere on the way.

Or, it could be nice to blast all the way to Marpha. Early breakfast, maybe a decent packed snack.... Get to Marpha and chill....

Commented [2]: my bad! I will add the lunch right away. the latter option seems cool, more time in Marpha but its a long way, exhausting bumpy rides and packed snacks might be risky for the stomach considering the temperature and climate. Plus I loved the daal bhat tarkari combo we had on the way in tatopani :))

22 MAY (8th Jestha,FRI): Marpha

Time	Session	Details
Morning	Breakfast & interaction with apple farming community	Household-level interaction with apple farming families. Optional: hike to apple farms in the hill orchards
Morning	Apple product factory and brandy Distillery visit	Observation and interaction at apple processing facility — brandy, cider, juice, dried apple products
Morning	Women's group interaction in Jomsom/Marpha	Policies, Initiatives on Environmental stewardship, Perception of the changing climate Liaisoned by Sharmila Gurung, former deputy chairperson of Gharap Jhong RM as well as women entrepreneur

Commented [3]: The women we met with last year at the ACAP office in Jomsom were awesome. Can we find that same group and meet in Marpha, in the apple orchards?
